SESSION DETAILS

The weekly program is designed for children aged 6 months - 5 years old, with a limited number of attendees. While we warmly welcome children of all ages, we request you to consider the safety and comfort of our younger attendees when planning to bring older children. Pre-bookings are essential for each session. Activities will be provided and will include (but not be limited to) messy play, sensory experiences, arts & crafts, dance, music and small world/ pretend play activities.

Our sessions will begin promptly at the scheduled start time and will run for a duration of 60 minutes. Any extension of this time will only be possible upon the agreement of the Wonder Seekers Sensory Play host. We kindly request your cooperation in waiting until the session's official start time, as this allows our host to adequately prepare each activity for your child's enjoyment.

SUPERVISION & SAFETY

It is a requirement of our insurance policy that we be in attendance at the event, however, parent/ caregiver supervision is still required to participate in our activities, especially when engaging with small loose parts and water play. Children must not be left unattended, and parents are accountable for their actions. All materials are intended for use under consistent parent/carer supervision.

The Provider will take all necessary precautions to ensure a safe play environment, however, the Client acknowledges that sensory play activities may include items that can cause falls, slips or allergic reactions. It is the responsibility of the Client to advise the Provider of any allergies prior to the party. Parents of the children with the allergy bear full responsibility if an allergic reaction was to occur. Wonder Seekers Sensory Play is not responsible for any injuries that may occur, and personal injury claims should be addressed through your personal insurance.

PARTICIPATION GUIDELINES & LIABILITY INFORMATION

Participation in our sensory play sessions requires a parent or guardian to be present at all times. This supervision ensures the safety of your child and enhances the bonding experience. Our sessions are designed to be interactive and enjoyable for both children and their caregivers.
